TERMS USE OF THIS SYSTEM

The TouchNet system is for authorized use only. Users are expected to comply with Information Technology Policy 110, Acceptable Use of Information Technology Resources. In addition, information in this system is protected under FERPA and by accessing this system you acknowledge you are aware of the restrictions on sharing any such information. Unauthorized or improper use of this system may result in administrative disciplinary action and/or civil charges/criminal penalties. By using this system, you indicate your awareness of and consent to these terms and condition of use.

SECURITY OF USER IDS AND PASSWORDS

Your user ID and password may not be shared with anyone. This account is set up for only your use. You may not log anyone else on with your user ID or password. You may not leave your TouchNet account up and running while you are out of your office. To secure your account, you must either log off the system or protect your PC with a password (e.g. screensaver password). Violation of this policy could result in revocation of access to TouchNet and disciplinary action up to and including termination of employment.

CONFIDENTIALITY OF EDUCATION RECORDS

The confidentiality of education records is governed by The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. & 1232g, as amended, and its implementing regulations, and the confidentiality provisions of the Tennessee Public Records Act, Tenn. Code Ann. & 10-7-504 (a)(4). Absent the student's written consent, review and approval by the Chancellor, the Dean of Students, the Asst. Provost of Enrollment Services, or the University Registrar (or their designees) is required for the exercise of the statutory exceptions to the confidentiality of education records, including any lawful disclosure to non-University persons or agencies and disclosure under emergency circumstances.

REQUEST FOR TOUCHNET ACCESS

CONFIDENTIALITY AGREEMENT: I understand that under mandate of federal and state laws identified on this form, University policy protects the confidentiality of education records (including student academic histories) and information contained in education records. Without the student's written consent, I will not disclose education records or information contained in education records to any person or organization outside the University or (2) to any office or individual within the University community unless that University office or individual has been determined by the University to have a legitimate educational interest. I will keep the records and information I retrieve in such a way that they cannot be accessed by unauthorized persons, and when no longer needed for the purpose(s) described below, I will destroy all copies so that they are no longer recognizable. I will use the education records and information in those records solely for the following legitimate educational purpose(s) related to my University employment.

By signing below, I certify that I understand and will comply with the above-stated limitations on disclosure and use of all education records I access through my TouchNet account. I understand that failure to comply with these limitations is a violation of University policy subject to disciplinary action up to and including termination of employment. I further understand that failure to comply with the restrictions outlined on this form concerning security of my user ID and password is a violation of University policy subject to revocation of access and disciplinary action up to and including termination of employment.

REQUEST FOR TOUCHNET ACCESS

ROLE DEFINITIONS:

Bill Payment

Customer Service (FERPA) - User can review account activity; send email to individuals; Take actions on behalf of students like signing them up for a deferred payment plan; review user's payment plan activity and help user with activity.

Admin - User can change all settings in the Bill+Payment Op Center; launch Bill+Payment batch process, initiate refunds, load bills; create new plans and change plan settings; review reports; change the content of automated messages and send email and text message announcements to groups of users. System role that allows you to view and change merchant Configuration, Add Op Center users, Enable and disable users, edit user roles, assign other users access to merchants, grant ERP roles to users, run user and function audits and configure system settings.

Bursar - Can process credits, settle batches and remove payment transactions from batch for that particular merchant for credit cards and debit cards. For ACH the role can generate ACH files, mark ACH files as settled, remove payment transactions from ACH files and delete ACH files. Can also mark payments as rejected and reinitiate payments.

Process Credit - Can process credit card credits.

Resubmit Failed Batch - Can resubmit failed credit card/debit card batches. Will also receive failed batch email notification.

Accountant – Can review all Op Center reports for assigned merchants.

Cashiering

Cashier - Can perform any action not requiring admin approval

Cashier Supervisor - Can approve restricted cashiering interface functions

Executive Admin - Can use and edit all areas of the Op Center. Can assign office admin, cashier, executive admin, cashier supervisor, and reporting user roles to any office on their campus.

Office Admin - Can view and change all office, station and user settings in the Op Center for their office only. Can assign the office admin, cashier, cashier supervisor and reporting user roles.

Reporting User - Can only view Cashiering reports in the Ops Center

REQUEST FOR TOUCHNET ACCESS

Accounting User - Can edit or process pending deposits and view the history of all pending and processed deposits.

Payment Gateway:

Accountant - An accountant can review all Operations Center reports for his or her assigned merchant(s).

Cashier - A cashier for a credit card merchant can process single authorizations. A cashier for a debit merchant can view debit transaction details.

Bursar - A bursar for a credit card merchant can process credits, settle batches, and remove payment transactions from batches for that merchant type. For a debit card merchant a bursar can settle batches and remove payment transactions from batches. A bursar must be assigned the cashier role in order to process single credit card authorizations. A bursar for an ACH merchant can generate ACH files, mark ACH files as settled, remove payment transactions from ACH files, and delete ACH files. This bursar can also mark payments as rejected and reinitiate payments.

Process Credit - Assign this role to any user who will have the ability to process credit card credits.

Resubmit Failed Batch - Assign this role to any user who will have the ability to resubmit failed credit card and/or debit card batches. Users with this role will receive the failed batch email notification. **Note:** The user would also need to be assigned the Accountant role
